LEARNING TO RIDE. LEARNING TO GIVE.

We are excited to announce that we are participating in the St. Jude Trike- A- Thon on Monday, April 16. All proceeds will go to St. Jude Children's Research Hospital. As we all know, the hospital doesn't change a single penny to all families and operates from all the generous donations they receive.

The trike-a –thon is a week long program that teaches children how to ride their bikes and trikes safely. There will be numerous fun activities your child will learn and enjoy. Have your child bring their helmets to school.

Sponsor forms were sent out last week, so please bring them by Monday, April 16. You can also set your child's fundraising page at stjude.org/trike. A direct link can also be found on our website's Parents' Corner.

CHILDREN'S NIGHT

Join us for Children's Night on Friday, April 27, 2018. The children can't wait to show you the work they have mastered in class. They will act like the teacher and present the lesson to you. You and your child can come anytime between 4:00 p.m. to 5:30 p.m.

The school will close at 12:30 p.m. and will reopen at 4:00 p.m. This allows the teachers to prepare the classroom for Children's Night. There is no daycare, and late pickup is \$1 per minute.

LOST AND FOUND

Jackets in the lost and found area will be donated by the end of the school year. Please check if your child has a jacket there. Always label your child's clothes.
