Toddlers Class News

Welcome back to the new school year! We hope you enjoyed the summer. This month, we will learn about the universe and the sun. We will talk about living and non-living things, parts of the body, and solid and liquid. We will incorporate these themes into Language, Art, Math, Practical Life, and Sensorial. Our shape of the month is a circle. Our color of the month is yellow. Your child is welcome to bring circle or yellow items to share with the class. Our composer is Mozart and we will be doing Pre-historic Art. We encourage parents to enhance your child's learning experience by talking or reading about our monthly themes.
