# I Love Bugs!

Emma Dodd

Publisher:  
Hachette  
Children's  
Group

I love all  
bugs...

big

and

small

bugs.

I love springy

jumpy leapy  
bugs

and  
slimy  
crawly  
creepy  
bugs.

I love hard  
spiky spiny bugs  
and pretty spotty  
shiny bugs.

I love fuzzy sunny  
honey bugs

and furry

whirry

funny

bugs.

I love brightly-coloured-wing bugs  
and stripy swikey

sting bugs.

I love whiny buzzy  
sound bugs

and glide-across-the-ground  
bugs.

I love  
flouncy

frilly

flutter  
bugs

and silly clitter-clutter  
bugs.

I love fly-around-the-light bugs and curl-up-tight bugs.

and curl-up-tight bugs.

Yes, I love all bugs! Hop and fly and crawl bugs.

But the best bugs  
are  
hairy  
bugs.

Eight-legged  
scary  
bugs.

The hang-from-the-ceiling bugs . .

and send me  
squealing bugs!

# Partes de un Insecto

- **Cabeza**
- **Tórax**
- **Abdomen**
- **Antenas (2)**
- **Patas (6)**

La mayoría de insectos tienen:

- **Alas**
