Little White Fish is crying.  
He can't find his nonny.

A children's book illustration featuring a large, friendly-looking red crab on the left side of a dark background. The crab has large white eyes and a simple smile. To its right, a small white fish is swimming. The scene is set against a dark background with some orange circular shapes, possibly representing bubbles or coral. The text 'Cangrejo rojo' is written in white above the crab. At the bottom right, there is a red banner with white text.
