Yearbooks are now available to order. The cost for the yearbook is \$20.00. Yearbook order forms will be placed in your child's cubby. We pre-ordered a limited amount of yearbooks, so be sure to order yours early.

COMMUNITY SERVICE

Thank you to the following students for their continuous efforts in helping their school:

Luke Gordon – Joyful Garden Recycling Project

Samantha Vu and Isabel Dela Rama – Environment Clean Up Project

THE JOYFUL GARDEN

Thank you to all the parents, students, and teachers for all your effort in helping make our garden beautiful. A special thank you to 1st grader, Luke Gordon for leading the recycling project. He has been collecting all donated recyclables and dropping them at the recycling center. Luke collected \$36.55 which he donated back to the garden. Hooray and thank you Luke for all your efforts. Thank you to the Phan family for donating more soil.

Thank you to our gardening volunteer, Ms. Cindy G for your gift of sharing your love of gardening to our kids.

CLASS EVENT ORGANIZERS

We are truly thankful for our wonderful class parents who helped organize our class events. Your contributions have made it easy for our teachers and memorable for the kids. We love your special touches and incredible ideas. So our hats off to our class parents: Amanda, Anna, Katie, Rupa, Valerie, Linh, Van, Danielle, Jan, Erika, and Melissa. Thank you from the bottom of our hearts. Thank you to all our parent volunteers, as well!

BON VOYAGE PARTY

The end of the year Bon Voyage party will be held on Thursday, June 19 from 10:00 a.m. – 12:30 p.m. We will have carnival games and prizes. Parents are welcome to volunteer and join the fun. We will need volunteers for set up, clean up, and games. A sign-up sheet will be posted for potluck items.

School closes at 12:30 p.m.

Let's Get Ready for Summer

Join MCDC for the summer! Be sure to turn in your summer registration to guarantee your child's space for the summer. Forms are available in the office. Parents can register on a weekly or monthly schedule. Our teachers will be taking some time off in the summer, therefore, pre-registration is mandatory in order for the school to maintain a proper student-teacher ratio. Older siblings up to 6th grade are welcome to join us for the summer. Students who are attending public school should bring their work portfolio.

During the summer, the fun and learning continues at MCDC. There are many advantages in joining MCDC for the summer: students can get ahead in core academic subjects such as Language and Math; it's a great time to transition to a new class; the Montessori routine remains consistent; there will be special guests and shows that complement our summer theme; art, food, and music are incorporated into the program; and there will be lots of special activities to fill the day.

Be sure to look at our summer calendar for daily and weekly activities. Please go to our website for more summer information.

Thank you for coming to Children's Night. We were so proud of all the children who showed their best works. We hope you enjoyed the art display and watching the children at work. Thank you also for coming to the Elementary Science Fair. The children did an A+ job on their science experiments.

Most especially, thank you to all our parents for supporting our school in so many different ways. We are fortunate to have wonderful families in our school. We are grateful for your help in your child's success in school. If this is your last month at MCDC, be sure to stay in touch and visit our school throughout the years. Thank you for a great 2014!
