ELEMENTARY SCIENCE FAIR

Our Elementary Science Fair will be on Wednesday, May 25 from 2:00 p.m. to 4:30 p.m. We will be inviting families (per grade level) to view the Science Fair. An R.S.V.P. will be posted at the front sign-in/sign-out table on the first week of May.

2022-2023 REGISTRATION

Priority registration forms for 2022-2023 school year will be distributed on April 5 and are due on Friday, April 15. Current students and siblings are given priority for classroom placement. Be sure to turn your forms in before the due date to guarantee your child's space in September.

SPRING CELEBRATION

Our spring celebration will be on Friday, April 8. We will have fun crafts, fun relays, and face painting. Your child can bring treats for their friends to exchange. This is optional. **No plastic eggs**. Please do not bring coins or tiny things that are chokeable.

SPRING BREAK

The school will be closed for Spring Break on Monday, April 11 to Friday, April 15.

COVID TEST

Students 2 and up are required to test upon returning from Spring Break. Covid At-Home test kits will be sent home. Sign-up sheets will be posted. If your child has a fever, please get a PCR test. Please see Sick Policy.

*“Teach teaching,
not correcting.”*

THIS MONTH'S BOOK PICKS

If Bees Disappeared by Lily Williams
See how these little insects make a big impact, and how we can help them survive.

The Superpower Sisterhood aren't just super, they're superheroes in this celebration of friendship.
