*You can collect these materials in advance or after the craft presentation.*

*If you don't have any of the above materials, you can use old children magazines or draw and color with colored pencils, crayons, or paint.*

**TYPE TO ENTER A CAPTION.**

**STEPS:**

- Paint egg carton or box (top blue and bottom green)
- Paint toilet paper rolls brown or roll up paper (color it brown)
- Glue tree canopy.
- Glue or tape tissue paper for the bushes
- Add clouds cut up.
- Add dinosaurs and have fun playing with it!

# REPTILE ART

## MATERIAL

Construction paper or any paper cut into 2” strips  
(you can add dots or squiggly lines)

Glue

Other colored construction paper  
or white paper and some colored markers,  
crayons, or colored pencils

### STEPS:

Take a strip. Tape or glue ends to make a ring.  
Using another strip, string under first ring and  
tape ends to make a chain. Repeat until you  
have a long chain for the body of the snake.

Glue the head and draw eyes.

Color and cut the snake’
